- Heel Legal Catches: Any heel catch behind both shoulders is legal if the rope goes up heels.
- Questioned Catch: If catch is questionable, a field judge, may ask a header to hold a steer so that the Flagger may inspect the head catch. If the header does not do so, the team may receive a no-time.
- Time Taken: Time will be taken when the steer is roped and secure between both partners and both horses are facing the steer with ropes dallied and tight. Both horses front feet must be on the ground and ropers must be mounted when the time is taken. The steer must be standing up when roped by its head and heels. Time is taken when the flag is dropped, however, that time is not official until indication is given by the Flagger or Field Judge to the timer or secretary. The Flagger may flag a team out after the time is taken on a run, based on an illegal head catch or illegal heel catch, the steer was not secure or any other factor that was not clear when the time was taken.
- Cross Fire: Head bent and in tow. A cross fire is a disqualification of the team.
- Heeler Ropes Front Foot: If the front foot or feet come out of the heel loop prior to the header facing and thus calling for time, the time will be counted. The Flagger, i.e., judge will not allow an extra time for a front leg to come free.
- Header Ropes Any Leg: Should a header rope any leg; it is an automatic no time. Under no circumstance will be the header be allowed to fish-out the leg.
- Dropped Rope: A dropped rope that must be recoiled is considered a thrown rope.
- Arena Clear: Should a team call for a steer before the arena is clear and are subsequently interfered with by the steer or team still in the arena, this will not be recognized as interference and they shall NOT receive a rerun.
- Reruns: No reruns will be issued unless fouled by the neck rope on the steer; the steer falls flat on his side before breaking the neck rope; or the barrier fouls the contestant.

LIVESTOCK

- Inspection: Roping stock will be inspected by the Jr. Rodeo judges prior to the first event. No sore, lame, sick or injured animal, or animal with defective eyesight shall be permitted in the draw at any time. Should an animal become sick or crippled during the course of the roping, that animal shall be removed from the competition immediately.
- Treatment of Livestock: If any contestant abuses an animal by any action, he/she shall be disqualified and forfeit all entry fees. The Field Judge or Jr. Rodeo official shall immediately inform the announcer that the contestant(s) have been disqualified.
- Hornwraps: All Roping Stock will have horn wraps, which offer protection for both the ears and the base of the horns.

- Run Stopped by Judge: The Field Judge may stop a run at any time he/she observes an injured animal, to remove that animal from competition. This action may result in a rerun for contestant(s).
- Visibly Injured Roping Stock: If the roping stock is visibly injured as the run begins, including a broken horn, the team must declare themselves by pulling up immediately.
- Broken Horn: If in the opinion of the Field Judge a visible broken horn existed prior to the beginning of a run, he has the option to declare a rerun. However, no rerun shall be awarded where clearly the broken horn was caused by the run itself, or if the judge suspects the broken horn occurred during the run. If run is completed and time taken, even though a broken horn is clearly visible, time shall stand and the Field Judge will remove that animal from the draw.
- Reruns: Reruns will be determined by the Field Flagger and will be offered without a request from the roper. If a Flagger does not award a rerun on a steer that a team feels did not afford them the opportunity to compete, they may ask for an explanation, but not argue or discuss the lack of rerun with the Flagger.
- Animal Escapes Arena: If any animal escapes from the arena, flag will be dropped and time stopped. Contestants will get animal back for a lap-and-tap start (no-barrier), and time already spent will be added to time used in qualifying. If time is not recorded, the decision of the flag judge shall be final.

JUDGING

- Judges Control: The field Flagger has an obligation to control the domain within the boundaries of the arena.
- JUDGES DECISION, QUESTIONING A CALL: The decision of the judge is final.
- Surrendering a Run: If in the opinion of the Field Judge one or both members of a team stops competing during the course of a run, the Judge has the right to stop the run and disqualify the team.
- Calling for a Steer: Steer belongs to the ropers when called for by the header. Except for mechanical failure, the team accepts the situation “as is” regardless of what happens.
- Declaring or Pulling Up: During the course of the run, if the contestant is visibly fouled or can visibly see that he/she is, or will be fouled, he/she must declare by PULLING UP or attempting to pull up and not try to go on with the contest. If the contestant does not declare by pulling up he/she accepted the situation as it occurred.
- Height of Electric Eyes: Height of barrier shall be from 32 to 36 inches.
- Barrier/Timer Malfunction: Should a barrier/timer malfunction during the course of a competition, the Judge may offer the option of awarding a rerun or removing the barrier penalty.

OTHER

- Failure to Compete in Semi-Finals or Finals: A contestant who fails to compete in any short round is automatically disqualified from the aggregate and thereby forfeits all money, prizes, related to the aggregate.
- Roping out of Order or missing a short round constitutes immediate disqualification.
- Advancement to Finals: Must compete at Finale with the partner that the qualification spot was awarded.
- Rope Barrier: Rope Barrier used at Jr. NFR Performances (Semi-Finals and Finals)
- Electric Eye: Electric Eyes may be used at Long Go Round

However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
